

A JAVASCRIPT LIBRARY FOR BUILDING USER INTERFACES

```
var nav = (  
  <ul id="nav">  
    <li><a href="#">Home</a></li>  
    <li><a href="#">About</a></li>  
    <li><a href="#">Clients</a></li>  
    <li><a href="#">Contact Us</a></li>  
  </ul>  
)
```

The logo for JSX (JavaScript XML) is displayed. It consists of the letters 'JS' in a large, bold, black sans-serif font on a yellow background, followed by a white 'X' in a similar font on a purple background. The yellow and purple sections are separated by a diagonal line.

JSX

# React.js Virtual DOM

# Browser DOM
